

107 Pine Lane

Chapel Hill, North Carolina

A nicely detailed classic Cape Cod in one of Chapel Hill's most convenient in town neighborhoods is being offered by the family for whom it was constructed in 1960. Quality materials and timeless design make this home ideal for renovation or expansion. The well landscaped almost 1 acre lot is at the end of a cul de sac. Interiors feature hardwood floors, large mullioned windows, wood-burning fireplace and there is a screened-in porch. Lower level apartment is suitable for guest suite or a media and recreation room. Convenient to the UNC campus, sports facilities, and the Paul Green Repertory Theatre.
